Form **4868**

Department of the Treasury
Internal Revenue Service (99)

Application for Automatic Extension of Time To File U.S. Individual Income Tax Return

► **Information about Form 4868 and its instructions is available at *www.irs.gov/form4868*.**

OMB No. 1545-0074

2014

There are three ways to request an automatic extension of time to file a U.S. individual income tax return.

1. You can file Form 4868 and pay all or part of your estimated income tax due using the Electronic Federal Tax Payment System (EFTPS) or by using a credit or debit card.
2. You can file Form 4868 electronically by accessing IRS *e-file* using your home computer or by using a tax professional who uses *e-file.*
3. You can file a paper Form 4868.

It's Convenient, Safe, and Secure

IRS *e-file* is the IRS's electronic filing program. You can get an automatic extension of time to file your tax return by filing Form 4868 electronically. You will receive an electronic acknowledgment once you complete the transaction. Keep it with your records. Do not mail in Form 4868 if you file electronically, unless you are making a payment with a check or money order (see page 3).

Complete Form 4868 to use as a worksheet. If you think you may owe tax when you file your return, you will need to estimate your total tax liability and subtract how much you have already paid (lines 4, 5, and 6 below).

Several companies offer free e-filing of Form 4868 through the Free File program. For more details, go to IRS.gov and click on *freefile.*

Pay Electronically

You **do not** need to submit a paper Form 4868 if you file it with a payment using our electronic payment options. Your extension will be automatically processed when you pay part or all of your estimated income tax electronically. You can pay online or by phone (see page 3).

E-file Using Your Personal Computer or Through a Tax Professional

Refer to your tax software package or tax preparer for ways to file electronically. Be sure to have a copy of your 2013 tax return—you will be asked to provide information from the return for taxpayer verification. If you wish to make a payment, you can pay by electronic funds withdrawal or send your check or money order to the address shown in the middle column under *Where To File a Paper Form 4868* (see page 4).

File a Paper Form 4868

If you wish to file on paper instead of electronically, fill in the Form 4868 below and mail it to the address shown on page 4.

For information on using a private delivery service, see page 4.

Note. If you are a fiscal year taxpayer, you must file a paper Form 4868.

General Instructions

Purpose of Form

Use Form 4868 to apply for 6 more months (4 if "out of the country" (defined on page 2) and a U.S. citizen or resident) to file Form 1040, 1040A, 1040EZ, 1040NR, 1040NR-EZ, 1040-PR, or 1040-SS.

Gift and generation–skipping transfer (GST) tax return (Form 709). An extension of time to file your 2014 calendar year income tax return also extends the time to file Form 709 for 2014. However, it does not extend the time to pay any gift and GST tax you may owe for 2014. To make a payment of gift and GST tax, see Form 8892. If you do not pay the amount due by the regular due date for Form 709, you will owe interest and may also be charged penalties. If the donor died during 2014, see the instructions for Forms 709 and 8892.

Qualifying for the Extension

To get the extra time you must:

1. Properly estimate your 2014 tax liability using the information available to you,
2. Enter your total tax liability on line 4 of Form 4868, and
3. File Form 4868 by the regular due date of your return.

CAUTION *Although you are not required to make a payment of the tax you estimate as due, Form 4868 does not extend the time to pay taxes. If you do not pay the amount due by the regular due date, you will owe interest. You may also be charged penalties. For more details, see* Interest *and* Late Payment Penalty *on page 2. Any remittance you make with your application for extension will be treated as a payment of tax.*

You do not have to explain why you are asking for the extension. We will contact you only if your request is denied.

Do not file Form 4868 if you want the IRS to figure your tax or you are under a court order to file your return by the regular due date.

ELECTRONIC POSTMARK - CERTIFICATION OF ELECTRONIC FILING

Taxpayer: William W St Clair, Jr. & Karla M Lehtonen
Primary SSN: 520-52-0801

Federal Return Submitted:
Federal Return Acceptance Date:

Your return has not been electronically transmitted yet

The Intuit Electronic Postmark shows the date and time Intuit received your federal tax return. The Intuit Electronic Postmark documents the filing date of your income tax return, and the electronic postmark information should be kept on file with your tax return and other tax-related documentation.

There are two important aspects of the Intuit Electronic Postmark:

1. THE INTUIT ELECTRONIC POSTMARK.
The electronic postmark shows the date and time Intuit received the federal return, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal individual income tax return.

TIMELY FILING:
For your federal return to be considered filed on time, your return must be postmarked on or before midnight April 15, 2015. Intuit's electronic postmark is issued in the Pacific Time (PT) zone. If you are not filing in the PT zone, you will need to add or subtract hours from the Intuit Electronic Postmark time to determine your local postmark time. For example, if you are filing in the Eastern Time (ET) zone and you electronically file your return at 9 AM on April 15, 2015, your Intuit electronic postmark will indicate April 15, 2015, 6 AM. If your federal tax return is rejected, the IRS still considers it filed on time if the electronic postmark is on or before April 15, 2015, and a corrected return is submitted and accepted before April 20, 2015. If your return is submitted after April 20, 2015, a new time stamp is issued to reflect that your return was submitted after the IRS deadline and, consequently, is no longer considered to have been filed on time.

If you request an automatic six-month extension, your return must be electronically postmarked by midnight October 15, 2015 If your federal tax return is rejected, the IRS will still consider it filed on time if the electronic postmark is on or before October 15, 2015, and the corrected return is submitted and accepted by October 20, 2015.

2. THE ACCEPTANCE DATE.
Once the IRS accepts the electronically filed return, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return.
